- **5. Public Comment.** Steve Shaw spoke regarding his attendance at State CARCD yearly meeting and how he learned a lot of information from other RCDs throughout the state;
- 6. NRCS Report: Phil Dixon introduced himself as new district conservationist in Lancaster. There are many projects on his desk. Ag contracts like EQIP in Kern County. Not as many as he would like and he would look into that. He is working on CSP (Conservation Stewardship Program) with farmers as a 5 year program. It has been working well and he hopes it can continue to promote conservation. EQIP for tree removal may have difficulties as small acreage is low priority. Maybe residents can ban together but there is difficulty on how to calculate paying tax bill.
- **7. FIELD** No representative in attendance.
